

# Lovinggood & SPSU

Experience the SPSU “Game Hive.”

See how the Lovinggood and SPSU students are collaborating on educational games for their science curriculum.

## Gaming Social @ SPSU - Gaming Lab

Thursday, March 25th, 2010  
7:00 PM to 8:30 PM

SPSU and Tech Matters invites Mrs. Shockley's 8th Grade AC Science students and their parents to the SPSU Game Lab for a first look at the prototypes developed by SPSU students for their science curriculum.

Talk to the game developers!

Play some of the commercial games available on the gaming computers in the Lab.

See the new space game, graphics from the early prototypes are shown above.
